

Autumn Tour and Driving Tests – Sunday 7th September 2008

Supplementary Regulations

Homes & Gardens meets a Rally of the Tests but without the rally bit !

Building on the successful formula of recent years, the Autumn Tour and Driving Tests will be held at different locations in Worcestershire, with some touring mileage in between, all under the expert stewardship of our master organisers Paul and Chrissie Tebbett.

Based at The Tower House, Baughton Hill, near Pershore (MR 150/890418), the event will visit a number of fine homes of LC&ES members in the Pershore and Upton-on-Severn area (we dare say that some of the homes will be quite familiar to some), where some gentle Driving Tests will await you. The route will also take in some interesting roads and buildings, including some not normally accessible to the public. Entertainment and mild competition will be aimed not just at drivers, but at the whole crew, so there will be something for everyone.

Pack lunches can be ordered for you to consume wherever you fancy en route, and we will all meet up back at the finish for tea and cakes and the Section's Annual General Meeting.

The rough timetable for the day is as follows:

- Signing-on and scrutineering will open at 9.00 a.m.
- Cars will leave start from 10.30 a.m. and follow the route to their designated start Driving Test venue, and from there to the other venues
- Cars will arrive back at the finish from around 4.00 p.m. onwards

Camping and/or parking of motorhomes will be welcome at The Tower House. For alternative accommodation, visit www.visitpershore.co.uk or contact the Pershore Tourist Information Centre on 01386 556591.

Entries will close on Friday 22nd August.

Marshals are invited to contact Charlotte on 01386 841646 or email compsec@vintagelightcar.com

We look forward to seeing you there!

AND DURING VSCC EVENTS**

The VSCC Policy Statement

The Directors and trustees of The Vintage Sports-Car Club (VSCC or The Club) recognise and wholeheartedly accept their moral and legal obligations and responsibilities with regard to health, safety and the environment.

It is the Policy of the VSCC to operate in a positive culture of safety, health and environmental protection throughout its entire business and sporting activities. To this end the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire or 'SHEF'.

It is the policy of the VSCC to take all reasonably practicable steps to:

- Provide adequate control of the health, safety and environmental risks arising from our activities;
- Consult with our employees on matters affecting their health and safety;
- Provide and maintain safe plant and equipment;
- Ensure safe handling and use of substances;
- Provide information, instruction and supervision of employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Prevent accidents and cases of work-related ill health;
- Maintain safe and healthy working conditions;
- Protect the health and safety of others who may be affected by our activities;
- Deal with waste and pollution in an environmentally responsible manner;
- Review and revise this policy as necessary at regular intervals.

In pursuance of this policy the Club will progressively identify all hazards, assess the risks and take measures to reduce risk. Motor sport is spectacular and exciting, providing enjoyment to competitors and spectators alike but there are many aspects of the sport which carry inherent risks. These risks cannot be totally eliminated and emphasis must therefore be placed on controlling the risks through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible or reduction of the risks So Far As is Reasonably Practicable (SFARP) where it cannot.
