

**Welsh Weekend 2007**  
**Treasure Hunt – Saturday 31st March**  
**Sporting Trial – Sunday 1<sup>st</sup> April**

Whether competing or marshalling, thank you for supporting the Light Car and Edwardian Section Welsh Weekend 2007.

Attached you will find a copy of the results for the Treasure Hunt (for those of you who weren't too busy admiring the scenery to look for the answers to our questions) and the Sporting Trial.

Thank you also for supporting the coffee stop on Sunday morning run by Simon Price and family. Together, we raised £275 for the Rhayader branch of St. John's Ambulance.

Congratulations to all the Weekend's award winners, and particularly to Nick Bell for winning the Llwynbarried Trophy for the best performance across both events.

We look forward to seeing you all again next year, but in the meantime, don't forget about the next Section events:

**Saturday 16th to Sunday 17th June: Summer Navigational Rally and Tour, Chawton**

Including the cricket match between the Light Car Allstars and the Vauxhall 30-98 Owners on the Saturday afternoon, followed by a barbecue in the evening. Camping is available at the event venue. The Rally on Sunday will provide a little gentle exercise for cars and brains, with the Tour for those who prefer the former without the latter. Entries will close on Friday 1<sup>st</sup> June.

**Saturday 1<sup>st</sup> September: Autumn Tour and Driving Tests, Winchcombe**

Starting near Winchcombe, the route will take in pretty villages and fine views on the way to and from our Driving Test venue. As usual, the event will be followed by the Section's Annual General Meeting. Camping will be available to allow you to make a true vintage weekend of it and stay on for the Madresfield Driving Tests on Sunday 2<sup>nd</sup>, just a few miles up the road near Malvern.

For entry forms for both events, please contact (and preferably send an SAE to):
