

The Light Car & EDWARDIAN SECTION

Summer Navigational Rally and Tour – Sunday 17th June 2007 Results

Whether competing or marshalling, thank you for supporting the Light Car and Edwardian Section Summer Navigational Rally and Tour 2007.

Attached you will find a copy of the results, which have been amended slightly from the provisional ones we read out on the day.

Thank you also for supporting the cricket match and barbecue on Saturday, and congratulations to the Light Car Allstars on their narrow victory over the gallant Vauxhall 30-98ers!

Congratulations to all award winners, and particularly to Ann Robbins, winner of the Lady Rachel Trophy (overall winner of the rally in a Light Car) and Penny Cawley, who collects the Navigator's Trophy (for the best navigator in either class)

Don't forget about the next Section event:

Saturday 1st September: Autumn Tour and Driving Tests, Gretton, near Winchcombe

This year's Autumn event will comprise a Tour and Driving Tests in the spectacular countryside of the North Cotswolds. Starting from the Royal Oak in Gretton, near Winchcombe, the route will take in pretty villages and fine views on the way to and from our Driving Test venue, including a stop at an excellent pub where you will be able to buy lunch. The Driving Tests, to be held on grass, will be gentle on both car and brain, providing stimulation without dizziness! As usual, the event will be followed by the Section's Annual General Meeting.

P.S. This year, we are running as a double-header with the Madresfield Driving Tests, to be held on Sunday 2nd September, near Malvern. Why not make a weekend of it in this beautiful part of the country and take in both events?
