

The Light Car & EDWARDIAN SECTION

Summer Rally & Tour – Saturday 28th to Sunday 29th June 2008 Results

Thank you to all who supported the Light Car & Edwardian Section's Summer Rally and Tour in the Peak District, whether grinding uphill (and clinging on downhill) as competitors on the Rally and Tour, or braving the lashing afternoon wind and rain as marshals – we hope you enjoyed the whole weekend as much as we did.

Huge thanks also go to our hosts Richard and Paula Marsh for providing a wonderful venue, and to Roger Thorpe for picking out the best rallying roads in the area.

Congratulations to all award winners, and particularly to Nick Bell and Olwen Curry for winning the Lady Rachel and Navigator's Trophy respectively.

Don't forget about the next Section event!

Sunday 7th September: Autumn Tour and Driving Tests, Baughton Hill, near Pershore

Building on the successful formula of recent years, the Autumn Tour and Driving Tests will be held at different locations in Worcestershire, with some touring mileage in between, all under the expert stewardship of our master organisers Paul and Chrissie Tebbett.

Based at The Tower House, Baughton Hill, near Pershore (MR 150/890418), the event will visit a number of fine homes of LC&ES members in the Pershore and Upton-on-Severn area (we dare say that some of the homes will be quite familiar to some), where some gentle Driving Tests will await you. The route will also take in some interesting roads and buildings, including some not normally accessible to the public. Entertainment and mild competition will be aimed not just at drivers, but at the whole crew, so there will be something for everyone.

Entry forms can be downloaded from www.vintagelightcar.com or from www.vsccl.co.uk, or contact us by post, phone or e-mail!
